

## Bus Trip to Sekitsch and Feketisch

In cooperation with the towns of Feketisch and Lovcenac, the "Donautal-Magazin" has organized a bus trip for August 2006 back to our home towns. We will not only jointly visit our villages and commemorate the founding of Sektisch 220 years ago, but also do some sightseeing in the Batschka. For this reason, we will stay in Subotica this time and undertake daily trips from there after breakfast. The exact itinerary will be made public after the [Sekitscher] annual meeting. Above all, we want to take walks through the town and show it to the generations following us.

The planned bus trip will take place

**From Tuesday, August 24, 2006  
Until Wednesday, August 30, 2006.**

The trip will last seven days and will take place if at least 30 people participate.

**Deadline is Monday, July 3, 2006.**
